STAT

Your letter of 24 May just came, and I want to assure you how sorry I am about your illness and to wish you every hope for a quick and complete rehabilitation.

I think the course you have taken is very sound because I think you owe it to yourself to take plenty of rest and take things most calmly until you are once more back to your old self. It is with deepest regret that I see you leave the organization, and I hope for our sake that it will be only temporarily and that after you are on your feet again you will come back and work with us in the future.

Do take plenty of rest and get yourself completely restored, and, when you are completely well again, please let us hear from you. Meanwhile, if I can be of any service to you, do not hesitate to call on me.

With very kindest regards, believe me,

Sincerely,

Signed - Disp 28 May thru DD
